

HOME BASED FRANCHISE OPPORTUNITIES IN SENIOR CARE

Six Franchises Available Across Southern Idaho

THE BUSINESS

Six opportunities exist to acquire outstanding franchise opportunities across southern Idaho. Three are located in Treasure Valley, one in Magic Valley, one in the Pocatello/Southeastern Idaho area and one in the Idaho Falls area. This franchise specializes in assisting families/seniors in selecting non-medical in-home care or where necessary, placement in assisted living facilities; thereby generating two revenue streams for the franchise.

THE BUSINESS

The first franchise area costs \$39,500 and the second and succeeding franchise areas are currently priced at \$26,500. The franchisor provides all the tools to support startup, marketing, follow-up and record keeping. The initial franchise fee includes training for two individuals at corporate headquarters.

This is an excellent opportunity for someone with a marketing background and a desire to participate in a growing health care opportunity occasioned by the aging of the "baby-boomers". This is an outstanding situation for a husband and wife team.

THE RETURNS

Your investigation of this opportunity will highlight the details of the costs of entry into this business and your due diligence with existing franchisees will suggest the level of successes they are experiencing.
