RE: [REDACTED] vs. [REDACTED]
Case No. [REDACTED]

Dear Mr. Berry:

Please accept the Court's deepest appreciation for the hard work that you put into [REDACTED] vs. [REDACTED]. I was not aware that you would wind up being a mediator in the case but I certainly appreciate the hard work you put in and the professionalism that you brought to the case. Without participation by someone with your expertise, this case could have turned into an extremely taxing and expensive endeavor for the parties. Needless to say, if the Court ever has a case in which your professionalism is required I will certainly not hesitate to appoint you.

Thank you once again.

Very truly yours,

ROBERT M. TAISEY
Magistrate
