

INFRASTRUCTURE WATER RESOURCES, MINING, OIL AND GAS PROJECT PLANNING / CONSTRUCTION MANAGEMENT CO.

Pacific Northwest, US Region

THE COMPANY

Established for over 10 years, the Company provides capital project planning and construction management to top national and international clients. The Company has an enviable track record of documented performance as a Tier One Contractor.

THE STRENGTHS

Multi-year contracts in place are assignable to a qualified Purchaser or Firm. Current firm services include Estimating, Scheduling, Project Planning, Program and Construction Management, Permitting, Siting Assessments, Environmental Compliance, Claims Support, and Claims Assessment and Dispute Resolution. The Company deploys a seasoned, industry recognized team to provide these services under negotiated, "evergreen" or multi-year contracts. All contracts are cost reimbursable.

THE REASON TO BUY

The Company could provide an immediate portal into "A List" Corporations and Government projects, both in the US and abroad for a Buyer strategically matched which is seeking to expand their own portfolio of locations and clients. Company is re-locatable nationwide. The Buyer may undergo serious Due Diligence for assignment of on-going contracts by Company Clients.

THE REASON FOR SELLING

The Owner seeks to retire, following a seamless, well-coordinated transition, mutually structured. The Owner currently works and travels as needed to develop and maintain contracts.

THE IDEAL BUYER

Parties with similar expertise, overlaying clients, and prior qualifying performance. The Buyer's ability to expand the team, billing hours, and body of contracts, will be the determinants in future success.
